Dear Sir:

Sir:

This is to inform the U.S. Patent and Trademark Office that additional information pertaining to priority data does not appear on the Filing Receipt for the above-identified application. Attached is a copy of an executed Declaration which states that, in addition to the priority document noted by the PTO, the application further claims priority from an earlier filed application which was designated only by filing date, title and inventors (as no Serial Number was available to applicants). That priority document is indicated below:

Please add the following under "Continuing Data as Claimed by Applicant":

--THIS APPLICATION CLAIMS BENEFIT OF 09/522,900 dated March 10, 2000.--

In the unlikely event that the Patent Office determines that an extension and/or other relief is required as a result of this statement, applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due to our **Deposit Account No. 22-0261**.

Respectfully submitted,
